

13. Eagles are bold, courageous and powerful: They will go through major storms. We must become mighty soldiers of Christ. Put on the Armor of God (Eph. 6 v 10 to 19) and cast out demons. Do not fear any man, beast or snake or demonic spirits or any evil human being, because God is on our side.  
*Romans 8 v 31: If God is for you, who can be against you?*
13. Eagles are majestic and have their own royalty look: Amen, and so are we priests and kings in the kingdom of God, because of the blood of the Lamb, Jesus Christ, Hallelujah!
14. Eagles are faithful for life – they mate with partners forever. We must honour our husbands and wives, and vows and commitments made at the altar. We have Holy Spirit to help us. Amen! We must be faithful to our bridegroom, Jesus Christ. Keep our lamps full of oil. Be ready for the feast-meal with our bridegroom. Hallelujah!
15. An eagle is very patient: It may wait sometimes 2 to 3 hours until a rabbit is coming out of its burrow, to catch its meal. Within seconds the eagle will strike. Likewise, Holy Spirit can act suddenly and the nine gifts of the Spirit can burst forth without warning. (Ref Romans 12, Acts 2.) Amen!
16. An eagle eye has a dual fovea (for central sharp vision, making the eagle to have double the field of vision as a human.) The eye is so complex, that what we can see at 20m they can see at 100m. It also has three eyelids. The third eyelid blinks from the inside outwards every few seconds and is translucent, protecting the eye to see clearly in storms. Holy Spirit protects us likewise, unseen. With our spiritual eyes, Holy spirit reveals the truth, which we could not normally seen by our natural eyes. Only the truth will set us free, amen!
17. The nest is boldly built in the wilderness – they are afraid of nothing, which reminds of Moses in wilderness and David hiding in the cave for 13 to 15 years.
18. Eagles have contrasting colour patterns, which can be recognized from far. Eagles have a presence about them: They are beautiful and powerful with strong beaks, imposing feathers and dangerous claws. So are we as worriers of God. We have a presence around us, the Holy Spirit – Glowing Spirit. People who have a strong relationship with the Lord for many years can be spotted easily. He is our Rock, Light and Salvation. Jesus is Light! *Psalm 119 v 105 your word is a lamp to my feet and a light to my path!*

We are and will be an army of eagles to get people saved, and we will fight the good fight of faith, amen! We will live in the fruit of the Spirit and we will love God with our whole heart and soul and our neighbours as ourselves. We will mount up like eagles! We wait upon the Lord to rise in spirit! He will never leave us nor forsake us. That is why we must not say, “my ways are hidden from the Lord.”

Glory to our faithful beloved heavenly Abba Father. Amen.
