

God says, "I've got this"

A message brought to the church on 12 March 2017, released on the website EXACTLY ON TIME 8 August 2017. The wording has been slightly altered as it went from crib notes into a message for SA.

Though I had many topics to talk about and was distraught about everything going on in the country and around, recently looking into things like Illuminati end time plans – Project Bluebeam, mind manipulation, the secret space program and all the escapades with fallen angels and their hybrid off-spring, called "aliens" – when God spoke to me, it was simple.

(Yes, I had to say all of that in one sentence, because it was one state of mind and then God spoke and it all changed, but that comes below. I was frightened at the time, but a simple sentence with an instantaneous revelation, downloading the entire message into my spirit, took only a gentle gesture from a very loving God of the universe.)

Yes, we are back in Genesis 6 and apart from that my country, South Africa, is falling apart at the seams.

Eventually I went and took a nap, my mind exhausted, thinking "what can I do about this?" I knew the answer is nothing, at least I can do nothing at a large scale, except for prayer and declaration, but I could not impact events. It worried me as God's kid. I was worried about how deceived the world would be.

When I woke up the Lord gave me the core scripture. My immediate reaction was, how can I teach people something I knew nothing about? Then, I laughed realizing I got the message and that I knew now what the right topic was for that specific Sunday.

Very important here for you is not just the message but the process as recognizing God's voice in the chaos. Believe me, it will get far worse. **God's *rhema* is always simple.**

1. The right topic for today was something that my spirit recognized as being from God.

Core scripture from KJV:

Isa 55:6 Seek ye the LORD while he may be found, call ye upon him while he is near:

Isa 55:7 Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the LORD, and he will have mercy upon him; and to our God, for he will abundantly pardon.

Isa 55:8 For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD.

Isa 55:9 For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

Think of the ten plagues and the Exodus: The Israelites were just crying for the oppression to stop, for the burden to be made lighter, but God wanted to show the world who He was and that their idols and alien gods were nothing. With a mighty hand He delivered them with all of Egypt's riches and drowned the oppressor's army in the Gulf of Aqaba.

2. God bridges the gap between us and Him.

Col 3:2: the things above mind ye, not the things upon the earth,

None of the Israelites in Egypt were praying like mighty men and women of God with fire coming from heaven (..putting up a show you sometimes see on tv). **None of them had any idea how big God's plan really was.**

God had a plan, which was worked out to mathematical precision, till the day of their departure. He did tell Abraham that they will come out of Egypt as a mighty nation. You see, Egypt was the dominating world power then and they left with all their riches and God showed his power clearly to everyone.

There are countless other examples in the bible showing that God is in control. Yes, this is King Jesus, YHWH my Daddy.

If you were living in these times and saw each person at the worst time in society, would you have also given up? **You can survive coming times, but you need to be a Spirit-filled being.** Submit to God and ask Him to inhabit you with his awesome Live-giving Power!

3. I a twist of events the score has changed.

God wants us to be careful of not giving up, to keep on believing. If you give up and stop believing you can find yourself in the wrong place when He comes through. When God wants to use you, you better be in the right place, which is to follow the Shephard as his sheep.

We often forget that this gentle Servant King is not waiting on us, be we must wait on Him. We need to wait anxiously for Him to come to us. We cannot run around and do our own thing, because God is royal. Think of how you would act in front of an earthly king – would you not patiently wait on his promises and be careful and respectful when you approach to ask whether it is time or not?

4. If we are the King's servants we need to remain in the palace close to him

The world is becoming more hostile and we as God's sheep do not know about what the wolf is planning. We cannot protect ourselves against the enemy we cannot see. God will do it. **Therefore, we need to be careful and fear God in everything we do.**

Rom 8:5 For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit.

Rom 8:6 For to be carnally minded is death; but to be spiritually minded is life and peace.

Rom 8:7 Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be.

This word is reflecting on what is coming next in South Africa. This is also connected to the It's Time event. (Remember that this message was given in March 2017.) **There is a direct spiritual link between this message and the *Day of Remembrance, 22 April 2017.***

5. We are the light of the world. We are the salt of the earth.

God wants us to remember this. We as God's kids must show the way. We are to stay calm, but we are also to stand firm. We must be very strong in our faith.

We must speak up.

Here is an insert from the Holy Spirit, also at the time of the message. (He said it was an insert!)

If 2 Chron 7:14 will become a physical reality:

Some will repent for themselves, some on behalf of the nation. But there are those observers, most who would not go 22 April, but fearing losing their positions, will fake following God for some time. (They will go along with the Christian fashion in the country.)

They will cause diversion and deceit as the go on. They will reveal themselves as fraudulent eventually but could cause much damage. We need to be aware of them from day 1 and warn others not to get swept away.

6. We are to recognize God's voice

God's kids must be able to recognize all things of their spiritual nature. That means that we as God's kids need to become sensitive to the spiritual effect of everything. You must be able to distinguish the impact of what is from God and what is not. Can you learn from something or is it there to harm you, to draw you away? We must stop with harmful activities and protect our hearts and our spirits.

If we won't we will not be able to respond correctly when God gives us a task. We will fall flat, or we won't be able to endure a nasty situation and either give up or leave thinking it is not from God – i.e. being weak or confused.

(This is full circle from point one. Holy Spirit told me this as well, as I missed this. This means that points 1-6 are a closed (full/complete) message. It is like a platform/foundation for point 7.)

7. Execute the Command

When God instructs us to do something at BREAKPOINT, we must act. This will be a challenge, something seen by people as strange, weird or impossible. Only the Command at BREAKPOINT can bring drastic change. Ironically, this is not just for God's kids to respond, but anyone ready, in the right place at the right time. Yes, each of them will know, because that revelation is universal.

Examples – Moses at the burning bush, David and Goliath, Deborah and Barak.

We must execute the commands and overcome our fears. We must not compromise – our society is all about compromise, so that we are standing for nothing at the end.

If we are entangled into the world we will always find excuses not to execute the King's commands. We need to get free, grow strong and decide to do what is right.

We need to decide to think those things above and not on the earth. No compromises from now on!

--end--

If you do not know King Jesus, or if you are not Spirit filled or Spirit led, then take this message on your computer (or print-out), go and kneel at your couch or chair and put this on the chair. Approach God in humble prayer, because He resists pride. Then, just talk to Him.

But, ask Him to fill your heart with His love and grace, to fill your spirit and to make you a new creation. Ask him to forgive your sins and to show you the way.

It is irrelevant how much sin you have done or in which state you are. It is irrelevant whether you are full of demons or a bible intellectual. Once you get to know King Jesus you will truly know He is the King of the universe, wherever you may be.

Please let me also know about you. Send me an email.

I love you,
