

# Power of Thankfulness

---

Please read these scriptures, as they speak for themselves

Psalm 100:1-4

Col 3:15

Rom 1:21

Eph 5

Exo 16

Thankfulness creates a shield of protection against discontentment. It protect your heart against evil.If you are discontent then you are open to attacks of unhappiness, anger and idolatry.

It prevents you from overstepping the boundaries into “lostness”, meaning losing your salvation.

It protects your relationship with God, i.e. keeps you in right standing with God. It keeps you in position as his child and not a rebel.

God gets upset with unthankfulness, murmuring. So do I. Ref Exo 33.

We need to grow up and be thankful in all things. We also need to decide not to give up.

Thankfulness goes with humility, usually when you are humble you will be thankful and vice versa. It keeps you ready to serve, to do the right thing and to respond correctly in a situation.

It is important that we decide to have an attitude towards thankfulness, even for the smallest item. God excepts this from us.
