

# Stick it out!

James 1:2-12 We must be single hearted and make up our minds

Eph 6:10-11 to remain standing

Matt 5:13-16 lamp

We live in a dark world and the children of God need to show our Light. The light will draw the people because they will instinctively know when they meet the truth.

A lamp also draws bugs, which are demons. Believe it or not, even though they hate you they admire the Light. People admire Godly wisdom, even though they would do their own thing afterwards.

Satan hates the Light because it reminds him of what he lost, which you now have. Once the kingdom of darkness knows you are a Christian you cannot go back and hide. You will either backslide and come under judgement or stand out forever. So, we need to make up our minds where we want to be.

Also, it is important to stand fast in your home, at work and whichever ministry you are in. Do not bounce around, then here and then there. Do not jump around between jobs, run away from this church or give up on whichever task God gave you.

No army can survive if it keeps on moving from side to side. Nobody will be safe.

We need to be like a tree, planted in one place.

The basis of this ministry (our church) is Isaiah 61.
